

Bow Style Flag Templates

 Main Body. Try to stay about 1.5" - 2" away from edges to avoid stitching through logos.

 Pole Sleeve. It will be thinner than shown, due to sewing. Pole sleeve can be used in design but there will be a sewing stitch line.

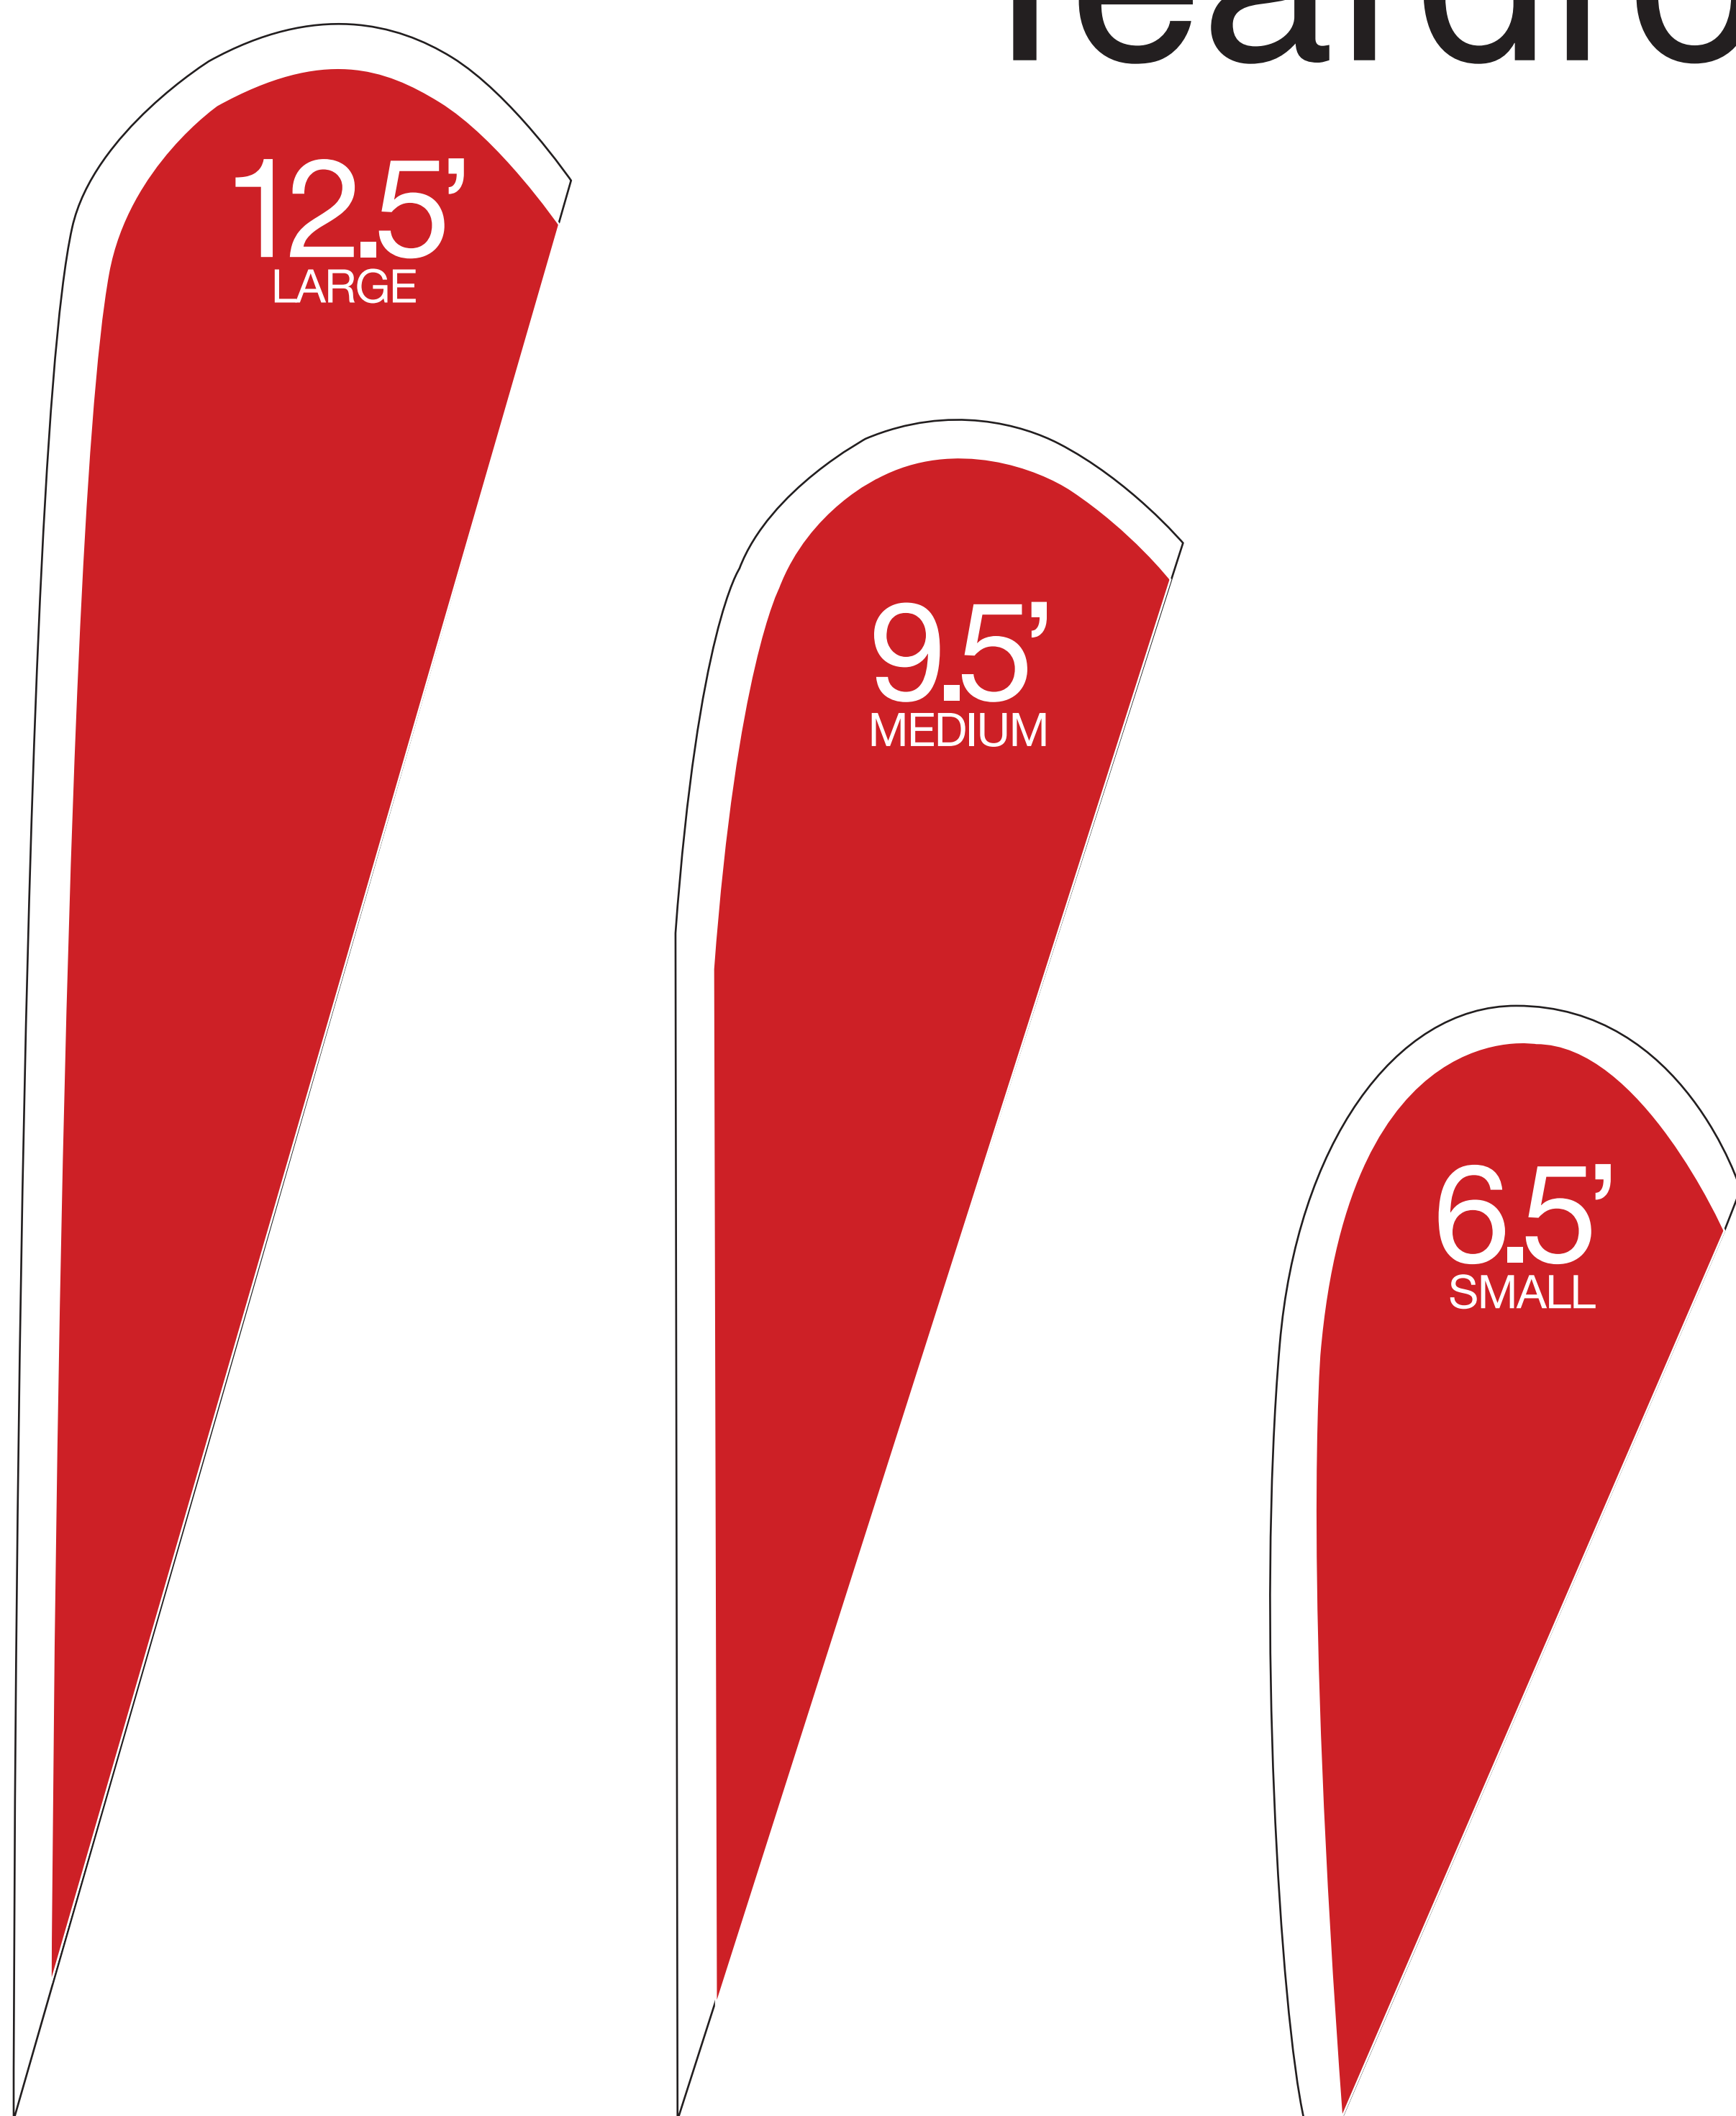

- This file is set up at a 10% scale.
- You cannot change the shape or size for this sectional pole
- Convert all text to outlines.
- Assign PMS colors when possible to ensure correct color.
- Save as an .EPS file.
